

Let's Read Music

time signatures and counting

For now, we will ONLY talk about time signatures with a 4 on the bottom...
(meaning that the QUARTER (♩) note receives the beat)

The following quarter notes represent the "beat" or "pulse" of the music.
Tap your hand or foot evenly and count the numbers as you tap.

Four beats per measure

3/4 (Bar line)

Three beats per measure

Two beats per measure

In the following three music lines, write in the count numbers below each beat (quarter note):

4/4

3/4

2/4
